

May 2021

Dear Friend,

We are excited to invite you to attend and sponsor the first ever **Finding Hope Music Festival** on August 28, 2021, in Fort Worth, Texas, featuring a variety of local and nationally known Christian bands and musicians including Social Club Misfits, Zahna, Manic Drive, and more!

Finding Hope Music Festival is a nonprofit organization that exists to bring hope and healing to a broken world through the power of music and the gospel, and executing on our mission for 2021 involves producing a FREE Christian music festival that focuses on Christian Rock but also includes Christian artists who create music from other complementary genres. This festival will also feature local ministries and nonprofit organizations that promote mental health and recovery-related resources/services through biblical principles, so attendees can find support for their struggles or share the resources we provide with their loved ones without paying for entry to the festival. These resources and our message of hope will be especially helpful in light of the toll that the coronavirus pandemic has taken on people's mental and spiritual health.

Our sincere hope is that you will become a sponsor of our 2021 music festival so we can reach the broken people of the Dallas Fort Worth Metroplex with good, moving music and the power of the gospel. To reserve your sponsorship or to secure a vendor space, please return this form with a transparent .png of your logo and your website URL to sponsors@findinghopemusicfestival.org by July 15, 2021.

Sincerely,

Stefani Hudson
